About Our Products

HANDMADE CUSTOM POTTERY FROM MALAWI

All of our pottery, which is handmade in Malawi, is designed for modern living. It is tough and can be used in dishwashers and microwaves.

We specialise in producing custom and personalised pottery. We can customise our pottery product shapes and sizes to suit your requirements. We can also make personalised pottery products so that you can have a unique keepsake or create a perfect gift. Get in touch to discuss your needs with us so that we can supply a quote.

The glazes that we use on our pottery products are 100% non-toxic. Our pots are safe for use with, or for storing, any kind of food or drink. They have been tested by the British Ceramic Research Association and meet all international safety standards.
